Bulk Orders for Resale

Earn up to 50%

We have a lot to choose from! Select 1 to 5 items to offer for resale. Key chains and tags for back packs, and other bags work great. Try including coffee mugs, refrigerator magnets, dry-erase message boards, ornaments, or jewelry.

We provide forms to record individual orders. Payment must be made to us at the time your bulk order is placed. The bulk order price depends on how many units your organization purchases. Bulk prices normally require a minimum order of 100 units. For example, bulk price for 100 tags might be \$6 each and they sell for \$10 (40%). At 250 units your fundraiser makes 50%.

Bulk Order Cell Phone Cases

Phone cases can be customized with your logo and ordered in bulk for resale. Bulk pricing begins at 100 units, but discounts do apply for smaller quantities. Mix cases for various phones to come up with your unit price. Phones we cover include iPhone 4, iPhone 5, Samsung Galaxy S3 and S4, HTC One X, and Blackberry 9900.

Please note that these cases are not custom for each buyer. They are custom for your group. You are responsible for providing us with a logo, motto, and/or image to press onto all of the cases. This is different from the event booth, where each buyer can customize a case with their own photo.

Event Kiosk Booth

So much fun!

Having a fundraising party?

We discount the booth price so that you can mark up the price for the fundraiser. For example, the retail price for one phone case with a custom insert might be \$28. For an event, the price is \$23 plus a suggested \$5 donation. The customer still pays \$28, but your organization collects \$5 of that as a donation (about 18%). Another example: a phone case with four custom inserts might be \$49 and your class collects \$10 (about 20%). It's up to you to set your sales price, but we recommend using the retail prices.

We charge \$50 per hour booth fee, with a minimum of 2 hours (\$100)*. The event booth can be a great fundraiser for a larger event, and also creates excitement around any size event. Where else can people get a custom phone case or other item right on the spot, with pictures they just took a few minutes earlier?

Recommended for events with 200+ guests.

** Travel fee may apply.*

What's a 'Phone Wardrobe'?

cShoresal offers phone wardrobe cases for iPhone 4, iPhone 5, Samsung Galaxy S3 and S4, and several tablets. 'Phone wardrobes' consist of a case that accepts multiple inserts that can easily be switched in and out for easy customizing to suit your day. Each case comes with one insert. Additional inserts can be purchased at any time.

These are our most popular cases and are the ones we bring to events. However, we do also offer other cases that have a single fixed, permanent image on them. These traditional cases are available for the phones already mentioned, plus the HTC One X and Blackberry 9900. Prices vary depending on the style.
